

USL Pro: Under Shelf Light System

Parify's latest under-shelf LED lighting system allows lights to be removed and changed without an electrician! Save time and cost, the USL Pro lights are ready to plug and play, making it a jeweller's dream!

The USL Pro Optic is available in 4 sizes and power ratings (12w, 18w, 24w and 28w), perfect for illuminating your jewellery.

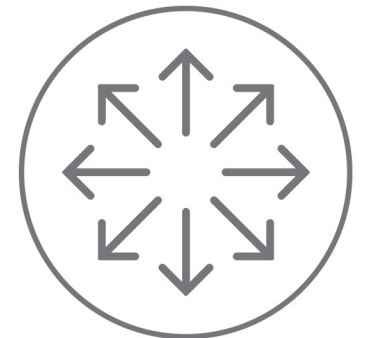

Dot-free illumination for your timepiece collection. The USL Pro's have a diffuser option so you can say 'bye-bye' to the little bright dots on your watch faces caused by generic LED lighting! Available in 3 sizes and power options (10w, 20w and 28w).
