LIGHTING

USL CEREBRA PRO 30

Key Features

- Colour Adjustability
- Dimmable Control
- Easy and Discreet Installation

Transform your retail space with our premium undershelf lighting solutions, providing illumination for the space beneath shelves, cabinets, windows or countertops - the perfect blend of functionality and style.

Available in 3000K, 4000K, 5000K and 5700K, the USL Cerebra Pro 30 will match the colour of the soffit lighting to provide colour matched lighting to windows and cabinetry.

In a compact module, its slim-line configuration means that its presence is rarely noticed in 99% of window displays, yet its effect most certainly is!

Ideal replacement for undershelf fluorescents and metal halides.

Available with ActivWhite*.
